Operations & Maintenance Benchmarking Network

The Network provides a tangible source of information enabling building operators and service providers to evaluate their performance against their peers. Benchmarking allows you to identify areas where you can:

- Reduce costs
- Improve efficiency
- Improve service and customer satisfaction
- Save energy

It is important to keep up to date with the latest industry thinking. The Network offers regular topical events during the year to its members through:

- 3 seminars
- 1 special interest group
- 1 webinar

Outputs from the network include:

- Annual Report
- M&E maintenance KPI's
- Energy management survey results
- Access to Network members secure area of the BSRIA website

Fees for joining the Network April 2011 to April 2012 £400.00 + vat (BSRIA members) £830 +VAT (non members)
